# hive

## building contest build hives, win a prize!

Elephants will learn to avoid areas in which colonized beehives are established.

Make honey, make money—and have no harm to the farm on good terms with pachyderms.

build the the most, normal-sized top bar hives using locally available materials:

**Prizes:** 1st Place: GH¢100  
2nd Place: GH¢ 75  
3rd Place: GH¢ 50

**deadline: December 1, 2021**  
hives must be standard sized (able to hold 30 normal topbars), judges to be made from six photo submissions of hive construction process (from start to finish, showing both you and your work in each)
